PROFESSIONAL EXPERIENCE

PDSoft Technologies — Ibadan, Nigeria   september 2023 -2024
Frontend Developer - Full Time

- Leverage my expertise in React to build dynamic and interactive user interfaces. By collaborating closely with designers, I ensured that the user experience was seamless and intuitive. I consistently delivered projects on time, maintaining high standards of quality and performance.
- Deliver responsive designs that adapt to various devices and screen sizes, maintaining high standards of quality and performance.
- Effectively manage time to consistently meet project deadlines, ensuring the timely delivery of high-quality projects.
- Consume APIs to integrate dynamic data and functionality into applications, enhancing their interactivity and responsiveness.

Tech Diversity — Lagos, Nigeria   Dec 2022 - July 2023
Junior Frontend Developer

- Collaborated with a cross-functional team of designers and developers to create responsive websites and web applications, following industry-standard coding practices and optimizing for performance.
- Maintained and updated existing codebase, identified and fixed bugs, and conducted

thorough testing to ensure the highest quality code.

Top Universe — Lagos, Nigeria   *Mar 2021 - Aug 2021*
Frontend Developer - Internship

- Developed reusable front-end components using modern technologies such as HTML, CSS, JavaScript, REST APIs, and React.js.
- Participated in code reviews, writing proficient and maintainable code while adhering to industry best practices and team coding standards.
